*Dear Friend;*

*We are an established organization and our membership can be counted at well over 50,000 nations- wide. Our members consist of various law enforcement individuals and groups throughout this country One our most important endeavors is raising funds toward our goals is an annual Golf Tournament. With the generosity of friends and supporters such as yourself - people who believe in Law and Order, especially in the aftermath of the 9/11 sneak attack on our nation when honorable men and women in law enforcement gave the ultimate sacrifice. Although it's been several years the scars of this tragedy live on in each and every American. We hope to carry on the example of helping one another unselfishly and standing tall in the face of terrorist threats. We will diligently watch laws that go before our Congress, Senate and even the desk of the President pertaining to their memory and the well being of their families. In addition we will be helping our fallen member's children with their education through our scholarship programs.*

*Enclosed is an application for hole sponsorship in our Golf Tournament that will be held in Monticello N.Y. over a three-day period. Your sponsorship can be made in the form of golf gifts such as tees, umbrellas, golf balls, clubs, or your product e.g. sports equipment, logo merchandise/Services etc, items that we may use as gifts, and or for raffle prizes. Remember we are a fully tax exempt organization with the Government (Number on request). This advertising of your sponsorship certainly can't be bad for your business, and you will be in on the ground floor with an exposure to a nation wide clientele. In addition with gratitude for sponsorship each year you will receive a suitable wall/desk certificate and several membership cards*

*Thanking you in advance for your Kindness;*

**John J. Bucalo**  
**Executive Director**
